

HITECH PACKAGING

Hitech Packaging (Pty) Limited was formed in October 2000 to manufacture and supply high quality products for the Fast moving Consumer Market.

Hitech Packaging markets its products to consumers via the wholesale and retail trade using an extensive network of sales agents and third party warehousing facilities.

The products manufactured and marketed are in the groceries and cosmetic category and are marketed under the brands:

- Spar
- Happy Family
- Hitech
- Econo Brands

and supplied to Chain Stores and Independent Wholesalers :

- Spar
- Massmart
- Makro
- Game
- Other Retailers

Hitech Packaging uses the infrastructure of the Hitech Group in the department of Finance and Administration, Manufacturing and Transport & Logistics.

Warehousing and Distribution is outsourced with each of the nine provinces having a distribution center in Queensburgh, KwaZulu-Natal of approximately of 5000 square meters that warehouses, sells and delivers our products.

Hitech Packaging has grown significantly over the years, and has created a reputation of being a reliable and responsible supplier of Fast moving Consumer Goods, through service excellence and quality of products.

Hitech Packaging has grown significantly over the years, and has created a reputation of being a reliable and responsible supplier of Fast moving Consumer Goods, through service excellence and quality of products.
